- We build lifelong relationships and strive to live our values every day

## Simplify Your Life

- Partner with us and we'll deliver customised cloud solutions designed to help achieve your goals
- We'll orchestrate your entire IT environment and keep everything in harmony for you
- We want you to focus on growing your business – while we keep your systems running 24/7

## Loyalty & Respect

### You are more than just a number in a queue to us.

Many of our clients have been with us for over a decade, knowing we will be there from assessment to implementation. We believe in delivering insightful, personalized service that gets better and better. Most of our business is rooted in referrals and word-of-mouth.

Our **skilled engineering team** is here to manage the things you don't have time for. We've been doing this for decades, with a **proven track record**. For Dudobi, **industry security** and **service management standards** are a top priority.

“ Dudobi always takes the time to understand our needs, propose a variety of suggestions and deliver on their promises. We receive a far more personal and responsive service than from our previous hosts, and we're saving in more ways than one by partnering with such a reliable and capable company. ”

**70%**  
of our clients  
have been with us for well over  
**5 years**

Our average client-ticket  
response time is  
**7 minutes**

We constantly monitor  
**3000+**  
services, **24/7**
