

dudobi **BACKUP AND DISASTER RECOVERY**

In line with our promise to deliver the “**Dudobi Difference**,” we offer **comprehensive backup** and **disaster recovery (DR)** solutions that provide around-the-clock peace of mind.

If you want to “talk tech,” **DR** refers to “**security planning** that aims to protect an organization’s IT systems against the effects of significant negative events.” But - you’re probably not here to talk tech. You want to know that your systems, networks, and data are **secure**, without having to worry about a thing. Thankfully, Dudobi gives you just that.

Bespoke backup and DR solutions

Solutions designed according to your needs, for **all workloads** – from physical to virtual and cloud

Cost-effective options that never compromise quality

Advanced monitoring, management, reporting, and capacity planning

Enterprise-level functionality for small businesses

Recovery from malware, viruses, ransomware, and more

Restore individual files – or your entire system

THE DUDOBI DIFFERENCE

The “Dudobi Difference” is rooted in **bespoke monitoring and management** services that address issues before they become problems. When we say your **backup and disaster recovery solution** will do what it’s supposed to do, we mean it. Even if you have a pre-existing solution that we didn’t set up, we’ll still be happy to take care of it for you, making sure it steps up to the plate should the unthinkable happen.

However – as always, **Dudobi** takes you beyond “tech talk” with:

-  **Saved time and effort** so you can focus on growing your business
-  **Affordable 24/7 monitoring** ensuring your backups take place reliably
-  **Business continuity** sorted. Risk mitigated
-  **Minimal downtime** and impact should disaster strike
-  **Hassle-free solutions** supporting your critical missions
-  **A single point of contact** for all queries

What sets **Dudobi** apart is that you can get everything under one roof. Forget sitting on hold or having to source all of your needs from dozens of different providers. Backed by almost **two decades of experience** and a passion for what we do, we provide more than services - we deliver **solutions built to last**.
