

dudobi. MICROSOFT OFFICE 365

Switch to **Microsoft Office 365** today.
Simplify tomorrow.

It's no secret that **Dudobi** is a leader in providing **reliable, dependable cloud solutions** – uniquely tailored to your business. Communication and collaboration are two of the keys to your success and if you utilise Microsoft Office apps already, you'll know that they're a critical piece of the business puzzle. With Office 365, you will **always be up-to-date** with the latest and greatest versions of your preferred MS Office tools – at no extra cost. What's more, you can **access every app on every device** – PCs, Macs, tablets, and smartphones.

MICROSOFT OFFICE 365 CHANGES EVERYTHING.

Office 365 provides access to all of the apps you know and love – with bonus cloud power. **Microsoft Office 365** is more versatile and flexible than any of its predecessors, allowing you to utilise incredible software without massive installations or headaches.

Always on. Always reliable.

-  **Move your Exchange email to the cloud**, freeing you from Exchange Server complexities and expense
-  **Stay connected**, collaborative, and productive
-  **Create, edit, share**, and store files as you work – on any device
-  **Save money** with one predictable monthly fee
-  **Keep everyone up-to-date** with the latest versions
-  **Convenient system compatibility** with PCs, Macs, tablets, and smartphones
-  **Minimize risk** and compliance costs. Maximize security

WHY OFFICE 365 WITH DUDOBI?

While plenty of companies offer **Office 365** migration and management, no-one does it better than us. We offer a number of fully-managed solutions, **completely tailored** to the requirements of YOUR business. Depending on your needs, budget, and situation, we'll find the right solution for you. **Pay only for what you'll use**, and nothing else. In our minds, this should go unsaid with technology a given. Instead, our dependable solutions are based on **trusted relationships**, freeing up your time to focus on what's important – like running your business.

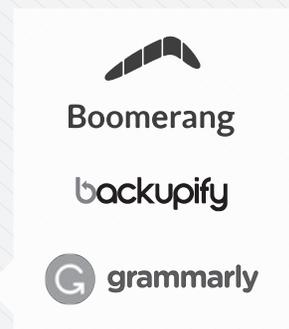

SEAMLESS TRANSITION.

While email migration from Microsoft Exchange can often go horribly wrong, we have **extensive experience**. We are pedantic when it comes to **getting things done right**, the first time around, preventing problems before they become problems. In fact, we'll be there **before, during, and after** the migration process – with sound guidance you can count on.

ONGOING MANAGEMENT.

Eliminate the hassles, headaches, and guesswork.

-  **Management** of groups, aliases, mailing lists, calendar syncing, and more
-  Premium spam and **antivirus protection**
-  **Regular package reviews** to avoid overpaying
-  **Simplify** day-to-day admin of Office 365 user accounts
-  **Safe archival** of your old user accounts and emails
-  **Email security** gateway
-  **Comprehensive backup** and retention
-  **Flexible installation** and management of Office 365 Add-ins
